

## Kilareski Orthodontics is happy to announce our newest location at 109 Leslie Drive in Brodheadsville, PA.

It's a very exciting time for Dr. Kilareski and his staff. Not only are we settling into our new office in the West End community, we are also introducing a new, cutting edge technology that brings the future of Orthodontics to our practice.

We recently began using the Trios 3 Digital Impression scanner that features an intraoral camera integrated with a high speed 3D color scanner which digitally captures the structures of the teeth and gums using the latest optical technology. The scanner itself is a compact hand-held wand that screens the mouth with a radiation free laser. In as little as 3-4 minutes it renders a digitally perfect 3D impression of the teeth and soft tissue structures.

The superior imaging quality produces a more accurate dental record, plus the results can be viewed immediately. The scanner can be used for any orthodontic treatment, including traditional metal braces, and clear aligner based orthodontic systems.

Among the other benefits, especially for our patients, is the elimination to take full mouth impressions, which in turn allows for less and more comfortable chair time for our patients.

On another note, just a reminder to our patients and parents that we are still running our monthly contests... The first one is oral hygiene. Each time you, your son or daughter comes into the office for an appointment they are graded on their oral hygiene. IF they score a 1 on their hygiene, their name is put into a monthly drawing for a gift certificate.

We also have our monthly contest is our T-shirt contest. At the beginning of treatment, you, your son or daughter are given a Team Kilareski Orthodontics t-shirt. If they wear the t-shirt into our office or one of the staff members sees them wearing their t-shirt outside of the office, their name gets put into a monthly drawing for a gift certificate.

Have you moved? Changed phone numbers or insurance companies? Please make sure you update your address, phone number, email address or insurance information with either Debi, Kathy or Jen when you are checking in at the front desk. Updating your information helps us to keep your records current and by supplying us with your email address you will be sure to receive important information, such as appointment reminders, birthday wishes and more.

We recognize that every patient has different needs and we pride ourselves in the courteous service we deliver to each person who walks through our doors. Whether you're an adult, adolescent or child, our knowledgeable doctors and staff are committed to helping you achieve the healthy, beautiful smile you deserve.

As always, if you have any questions, concerns or suggestions, please feel free to discuss it with the doctor or any of our staff members. Your input is very important to us and our goal is to make sure your experience at Kilareski Orthodontics is a good one.
